WRITING

My favorite film

I want to tell you about my favorite film, which I recommend to others. It's named "Eddie". This film is a history of man, whose dream came true. He wanted to be a sportsman and he had done it. Eddie hardly worked on himself and his dream and his persistent work gave great influence on me.

It's gave me motivation to do all for my order, like Eddie had. Also this film learnt me not to give attention on mind of other people and hear my heart on the way to order.

I would like to tell shortly about sujet.

Eddie was simple boy, who liked skating. But no one sport section didn't take him.

He grew up and decided to do all by himself.

He founded man, who promised to help him.

And in the end he took a part in Olympic Game, where, although, he didn't win a mean prize but made a ^{new} record for his country.

~~It's need to own to~~ I advice to watch "Eddie" to people who not sure in themselves.

Scarcely they watch it, they will believe in yourself. In my opinion, it's the best film

that I have ever seen. I would like all dreams of people, and no matter little ~~them~~ ^{them} or big, come true.
