## WRITING

## Lobster.

I want to tell you about my favourite film. It is called "Lobster". I've loved this film since my childhood. Actually, this is the best one I have ever seen.

"Lobster" is about loneliness and sadness. Indeed, film tells about two people who loves each other. Their names are Monica and Henry. They are out of their minds and they live in hospital. They want to escape, but they cannot. Honestly speaking, they talk to each other but do not talk about their love. In the end of the story, they escape from hospital and find happiness. I like this film because it is interesting and sad. It makes me to think about life. It is not like some kind of tales, as it is true story. I would rather say this film has history facts and life philosophy as well. Secondly, I like this film, because there are beautiful actors in it.

I would recommend to watch this film to lonely people as it can help them to forget about their problems and believe that the best is coming. To sum up, I want to say that, "Lobster" is just the best film ever.
